

How to Link Tickmarks to the Audit Toolbar

Follow the below steps to link your firm's tickmarks to the Audit Toolbar:

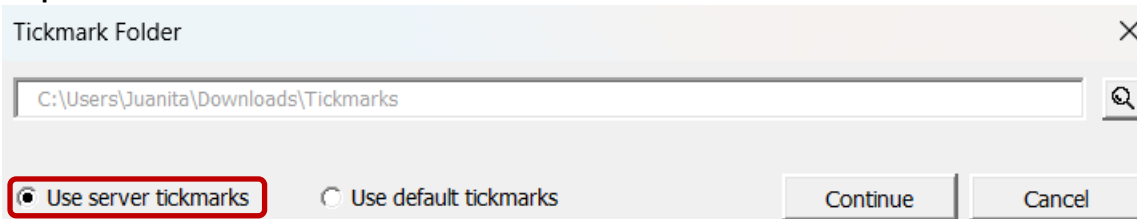

Step 1: Select Manage Tickmarks under the Help and Support section.

Step 2: Select the Tickmarks Folder from the drop down list.

Step 3: Switch from 'Use default tickmarks' to 'Use server tickmarks'.

Step 4: Select the relevant folder containing the tickmarks and click on Continue.

Your firm's templates should now be linked.
